QR Code Link to This Post Gentron pro2 3500 watt Propane generator

Very quiet low decibels
As quiet as a Honda 2000

Used 8 hours from new
Stored in my storage shed until I finished remodeling my Travel Trailer to use for camping, but never finished.
LIKE NEW!!!!

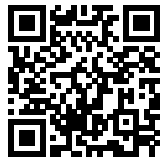

Spent \$150 at Suburban Propane to build a extended hose.
Will sell hose for extra \$50

Call anytime
Justin
