QR Code Link to This Post Pentax AF-360FGZ SLR Flash in mint condition. Used for three indoor shoots while taking a photography class but has since sat idle. Includes Pentax flash, carrying case, and all original packaging. Originally paid over \$200.00, asking for \$80.00.

## DESCRIPTION

Increase your photographic options with the AF360FGZ Flash from Pentax. It features compatibility with Pentax's P-TTL automatic flash exposure system and offers wireless master & slave TTL functionality. Also, the unit has a guide number of 119' at ISO 100 and 85mm as well as a good 35mm equivalent zoom range of 24-85mm, expandable to 20mm with use of the built-in panel. The flash head can even tilt from -10 to 90° for bounce capabilities.

In addition to standard wireless triggering, the AF360FGZ features a contrast-control sync mode that enables the setting of ratios for multiple flash units. This enables users to achieve their ideal final lighting setup all from a single flash unit. The flash has an LCD panel along with an adjustment dial and buttons to control all of these settings and it has slow, high-speed, first and second curtain sync modes. Additionally, it runs on 4 AA batteries which provide a recycle time of about 6 seconds and comes with a case.
