
The Woodland swing set by Leisure Time Products has a unique design that provides fun all summer long. The upper fort has a wood roof, fancy end gables, and observation windows on each corner for looking out over the entire yard. The sun porch extends to the side for plenty more play room up on the 5' high deck. Out on the swingbeam there are two belt swings plus our two-person ship's wheel glider for hours of swinging fun. A standard ladder makes climbing to the upper deck easy, and the 5' high rock wall makes it a challenge. Our 10' wave slide is speedy and safe for zipping back down to the yard. And underneath there is an eight-sided playhouse with snack window and three built-in seats. The kids will love the Woodland swing set for years.

5. Cedar Peak \$1000 *** Installation \$300

The Cedar Peak is a great swing set that is all cedar, with a monkey bar beam and a swing beam. It has an upper fort that has a wood roof, sunburst end gables and a 5' deck with entry from the 5' rock wall. Under the fort is the picnic table with benches. Includes a flat step ladder and a rock wall that gets the kiddos up to the fort and our 10' vacuum slide zips them back down to the yard. Out on the swing beam there are two belts swings and a trapeze bar. The kids will love the Cedar Peak swing set.

6. Pacific View \$950 *** Installation \$300

The Pacific View swing set has an awesome upper clubhouse with second level sun porch. Down below there is a two-level play deck / sand box and a half picnic table. A standard ladder and solid rock wall allow climbing to be both easy and challenging. The 10' speedy slide is fast and fun! This play set has two belt swings and a two-person glider so four can swing at once. The slide and rock wall positions can be swapped for smaller yards. Made from 100% cedar wood that is pre-cut, pre-drilled, and pre-stained for ease of assembly.

7. Shenandoah \$1100 **** Install \$300

The Shenandoah is unique. It has an upper and lower fort, each with neat styling. The high fort has hourglass windows with a wood roof and sun burst gables. The lower fort has a clubhouse under the main fort plus a cute side snack window enclosed with its own clubhouse walls. A real door opens to the lower fort area in front. The snack "room" has 3 fun play accessories: sink, stove, and cordless phone. A standard ladder gets the kids up to the 5' high deck and our 10' speedy slide zips them back down again. The swing beam offers two belt swings and a two-person glider for swinging fun all summer long. The whole gang will love the Shenandoah.

8. Oceanview \$1000 **** Installation \$325

This is the Oceanview! Your kids will love its open, airy feeling when they play in the upper clubhouse or on the front porch. They can swing the day away on the two belt swings or hang out on the fun acrobat bar! Monkey bars are always a fun challenge and these end up on the 5' high deck. And the 10' wave slide zips the kids back down to the yard again. And what kid doesn't love running up and down the stairs? The Oceanview has its own staircase so they can have a ball and mom won't mind. Time to relax? The shady hammock lets your little one kick back and enjoy the breeze. There's even a growth board to mark how fast they grow! The Oceanview has an all-new look with its mocha cedar wood finish and black hardware. Our patented Safe-T-Fuse hardware makes assembly easy and secure. And our laminated swing beam is strong and built with steel clam-shell brackets to ensure that swinging is always safe.

9. Liberty II \$1150 *** Installation \$325

The Liberty backyard playset has an awesome raised clubhouse topped by a wooden roof, with sides, bay windows, dormers, and a covered front porch. Railings surround both the lower deck and the sand box area (sand sold separately). It provides hours of fun with a wooden swing set of two belt swings and a two-person glider. Its solid rock wall and standard ladder make getting up to the fort fun and its 10' speedy wave slide makes coming down a thrill! This set has it all and the kids will love it for years.

10. Skyfort II \$1300 **** Installation \$400

This outdoor playset will be the kids' favorite, with its raised clubhouse play fort, wooden roof, gabled entry way and balcony. From the crow's nest, they'll cast a keen eye to the horizon, then race to the monkey bars and swing set on its three-position swing beam. A solid rock wall and standard ladder will give them healthy climbing fun

while a 10' wave slide will zoom them down to start all over again!

11. Woodridge II \$1600 *** Installation \$400

One of our most popular swing sets ever!

The Woodridge II has an enormous raised clubhouse with covered side porch and open front sunporch. There's plenty of room for all to play on the top level, and they get there by a step ladder or a rock wall ladder that leads to a crow's nest and an elevated tunnel! Kids swing on two belt swings or a trapeze for some serious monkeying around. The 10' wave slide makes the Woodridge truly awesome! This is a fantastic swing set that will last for years. Made from 100% cedar wood that is pre-cut, pre-drilled, and pre-stained for ease of assembly.

12. Caribbean \$1450 **** Installation \$350

The Caribbean Swing Set brings a beachy vibe to your backyard and includes all new features that will keep your kids entertained all day. The flat step ladder and staircase provide easy access to the large fort, which includes a bridge and balcony. Kids can climb on the 5' rock wall ladder for an additional challenge. This play set also includes a two-person wooden swing, two belt swings, an acrobat bar and a one person hammock which is perfect for relaxing. You can even track your child's growth with the 5' measuring stick.

12. Grand Towers \$1400 **** Installation \$500

Matching towers and multiple climbing, sliding and swinging possibilities make this swing set extra special. The 2 towers have large play decks that are 5' high and connected by a cool tunnel. Use the step ladder or challenging solid rock wall to get up there and then zoom back down on the 10' speedy slide or super-fun twisty turbo slide. For more challenge, try the rope ladder that's like climbing up to set sail on a pirate ship. All-day swinging fun can be had on the 2 belt swings and crazy fun acrobat bar. There's even a snack window and bench under one tower and both towers have sand box areas below for hours of imagination play time.

14. Malibu \$1450 **** Installation \$400

The Malibu Swing Set is a multi-level swing set made out of 100% all-natural cedar wood and has lots of room to play. The large clubhouses and sun decks give a unique and innovative twist. The easy-to-climb flat step ladders make the swing set accessible to all ages. The staircase that connects both decks creates a fun and new way to explore. A small cot with a cushion is included for a relaxing area near the clubhouse kitchen. The two toy boxes keep things neat and organized. Your kids will love the double-deep sandbox for beach-like building and treasure hunts. And you can track your children as they grow on the built-in 5' measuring stick.

15. Cheyenne \$2000 *** Installation \$525

The Cheyenne has our large tower with 5' high deck plus the 7' high balcony. Down below there's a clubhouse that's complete with play accessories (sink, stove, cordless phone) and a real door. Just outside the clubhouse there's a porch with two built-in wood stools for enjoying some snacks. The monkey bars are always a challenge and build strength. To top it off, the Turbo Slide winds its way down from the balcony for the ultimate in sliding fun. And out on the swing beam there are two widely-spaced belt swings for plenty of swinging pleasure. As with all the Backyard Odyssey sets, the Cheyenne is made from 100% cedar and has extra heavy duty parts including metal support brackets.
