Offering Promotional/Early Release CD/DVD Duplication but could be your regular CD as well.

Are there any bands, acts, plays or functions ever need more of YOUR own CD's or DVD's, but don't need 1000 copies ? AND need them quick for local meet up ? I can help you get a batch you need for your next gig. Depending on my schedule and how many, it can be 1-3 days and sometimes same day.

You get fast turnaround and local delivery. It will be more to have a custom company make them, and pay shipping & handling as well. Then wait 5-10 days for them to ship after the product is done, and then wait longer till the package arrives. Sometime it takes 3 weeks or more.

I can Dub up CD's and DVD's (single & dual layer) and BLU RAY, in small quantities in a few different ways. I use white blank disc's and I can print a small thermal label in BLACK only with a title/logo on top or bottom and some info as well.

****PLEASE NOTE I DON'T DO ANY AUDIO RECORDING WHATSOEVER****

Remember I'm not a factory that does thousands, but short run.
 I can make 10 - 300 easily and again in 1-3 days usually.
 You also get them delivered at a meet up point.

\$~ I would need money half upfront
 to purchase the discs
 via PayPal or cash meet up
 when the discs are on delivery

~THESE ARE THE BASIC PRICES THAT I CHARGE~

ALL COVER BACKS ARE PRINTED IN COLOR
 WHITE TOP OF CD/DVD/BLU RAY DISCS
 WITH BACK THERMAL PRINT

The band Truck Stop Troubadours wrote...

"Brian Chicoine from the the TST here..Nothing but praise for Mike over At Drum Jam Video...quality discs and QUICK local delivery...Thanks again !!"

Full color disc's done by any company charges more for that, if you don't order 1000 or more.
Turnaround time from professional companies are 5-10 days or more up to 3 weeks or more.
shipping is also pricey depending on how many disc's you get from them.
Quicker turnaround time cost are a very hefty price from pro companies as.
