If you tried lessons and were disappointed I urge you to give me a try. You will NOT be disappointed.
I teach at several studios across the state as well as in my own well equipped home studio.

I teach guitar, and bass full time but can also teach piano mandolin ukelele and voice as well as keyboard/synth/ MIDI /Audio etc....

Why choose me?

* Qualifications. I have 20+ years playing, and 10+ years teaching. In addition to a Bachelor of Arts Degree in Music, I have studied privately with some of the best musicians in the Northeast.

* I have extensive experience on stage and in the studio

* In addition to the standard guitar practices of Classical, Jazz, Rock , Blues and Metal, I have experience in more "cutting edge" musicianship such as :
World/Eastern music, fretless guitar, EBOW, Looping, Guitar Synth, 7 and 8 String guitar etc.....you'd be hard pressed to find a more versatile musician

* In addition to musicianship related items, I have extensive experience with all music related technologies including: Digital Audio/MIDI, Sampling , Synthesis, instrument and amp modeling ,recording etc..

* Students have access to custom made backing tracks and other tools available online in audio and video formats.

* Students can have repairs and service free or at a reduced price. I have a guitar shop for restringing repairs.

Contact me for the BIO and links to MAN and music samples for my singing and production as well as available for song writing.

Have a look at some of my 200 plus videos made here:
