I have been doing dreds a very long time & have created my own dread formula to apply to the hair made from beeswax bought on Waimanalo*

**I only charge \$80+(Mohawks, Top Fade, & Back Fades) to \$100+ depending upon the length & texture of your hair, crocheting, waxing or backdreding*

**Call with serious inquiries only and pictures*

HAVE at least 4" of new growth to your hair, I can't start on a bald:)
