The Surfrider Foundation is a nonprofit environmental organization dedicated to the protection and enjoyment of the world's oceans, waves and beaches, for all people, through Conservation, Activism, Research and Education (C.A.R.E.).

Volunteer

You, our volunteers and chapter members, power everything Surfrider does. We are truly a grass-roots organization, and none of us at the local level are paid a cent for our efforts. We are motivated by our love of the ocean, waves, and beaches and by our strong desire for a healthy marine environment, for ourselves and future generations.

To find out more on what you can do to help, contact our volunteer coordinator:
