QR Code Link to This Post Prosecutor Kurt Kruthoffer along with Detective Mullins and the Police in Northern, KY are cruel, extremely obsessive in stalking women that are not criminals. They do illegitimate activities in their legal work in prosecuting their cases. They waste tax payers money by stalking non violent women and set them up by observing them thru police-patrol- that have obsessive disorders and are worse than criminals. I am posting this ad to expose them because they are cold brut beasts- criminals. They do not protect the innocent but set them up with false accusations and fabrications in court. Judge J. Schrand is a monster too along with the names mentioned.
