QR Code Link to This Post We need a house very soon this one we are in has been labeled not fit 2 live in not our fault due to a very lax landlord does not fix anything just holds out hands and says money money we do not have much we just paid the creep we are running a very critical time line of next week you must allow dogs need a fenced yard basement and garage at least 3 bedrooms 2 bath we do not have good credit me a Cancer victim also disabled have now decided we can be in Omaha, Ralston, Bennington Millard, Midtown, La Vista, Bellevue we are in serious critical need here you will not be disappointed we are nice people just had someone do us wrong do not deserve homelessness in spirit of the season that is the true meaning to help those in need we will even consider a double wide manufactured home as long as it has some type of fence and garage we have a -lot of things by the way Council Bluffs is ok too again must be doggie friendly. Please we prefer a private landlord send us contact information and pics of the house thanks hope 2 hear from you soon will you please make our Holidays happy we will make yours happy in return we are not young baby boomers. We can go up to 1,300 for rent after we get out of this bump in the.
