We are a family of 3 with a two bedroom home. We would like to hire someone for once a week cleaning. We will pay you \$40 each week for 5 hours of cleaning. Work would include basic tasks like dishes, sweeping, mopping, bathroom, sweeping porch and steps, taking out the trash. It's not labor intensive stuff with no heavy lifting. We just want someone trustworthy and energetic to come kick some dirt butt at our house on the regular. We keep up with things pretty well, but having someone come help us out would really help us get this place perfect.

Must be friendly and honest

Must be ok with friendly pets and toddler

No need bring any supplies

Must be good at doing these basic tasks, no food left on "washed" dishes and things like that.

If any of those things are a problem for you, don't apply because it won't work out.

If you are able to do these things effectively, please contact us and we'll give it a shot.

References welcome

Thanks!

C And
