QR Code Link to This Post I help with the following things for online courses

Quizzes 20

Exams 30

Assignments 15

Discussions 15

I currently have a Bachelors of Science and working towards my Masters.
100% of the work will be completed online

Currently subjects I assist with

90% of math courses remedial math, elementary math, college algebra, stats, calc, pre cal, geometry

Many sciences

Biology, Chemistry, Microbiology, Anatomy and Phys, Physics, no ochem

I also help with

History, government, psychology, Spanish

I also assist with high school diplomas and GED

For information please contact me. I prefer early notice before deadline for efficient scheduling.

Please read the complete ad before contacting
