QR Code Link to This Post I'm looking for any female models interested in collaborating in nude and implied nude photography on a basis of time for pictures. I'm looking to expand my portfolio and I'm also happy to exchange additional photography services for other shoots that you may want to do to expand your own portfolio.

Any serious inquiries, please respond via email with a link to your portfolio or any headshot/pictures you have in place. Please list any experience modeling, and availability for December/January.

I will happy reply with my website and social media upon contact.
