QR Code Link to This Post I have x4 steel structures which were 'sold' but never collected or paid for. These buildings were fabricated and currently ready to be shipped and assembled. They are brand new and I am looking to get rid of them for a screaming deal. If you have ever been interested in one of these buildings, please look at these prices and compare anywhere else in the market! I anticipate having them sold by the end of December.

Building 1

Solid steel end wall
Build your own front wall
Certified stamped engineered blue prints
30 year warranty
Sold for \$23,450.26 plus freight
Sale Price: \$14,000

Building 2:
25' wide x 32' long
Solid steel end wall
Build your own front wall
Certified stamped engineered blue prints
30 year warranty

Sold for \$25,675.00 plus freight

Sale Price: \$33,000
Building 3:
25' wide x 32' long
Solid steel end wall
Build your own front wall
Certified stamped engineered blue prints
30 year warranty
Sold for \$46,55.12 plus freight
Sale Price: \$33,000
