QR Code Link to This Post All you have to do is watch me masturbate. This is not illegal because there would be no contact between us. I'm a normal good looking in shape 29yo male I just have this fantasy I would like to fulfill. This would be very easy money for u and would only take 5-10 min of your time. Again I want no contact I just want you to sit and watch. If your interested get back to me and let me know what you would want for.
