QR Code Link to This Post Immaculate, Well Designed and ready for you! This fantastic home built on a large cul-de-sac lot has been meticulously maintained and shows pride of ownership. Pulling up the drought tolerant landscaping on an efficient drip system will impress you. Once inside the freshly painted interior and open floor will make feel at home. The living room greets you first with its picture windows highlighting the rear grounds. Flowing seamlessly from there is the spacious family room, dining room and kitchen making entertaining a joy. The backyard is paradise found, with its covered patio overlooking the custom pebble tech salt-water pool with waterfall and in ground spa. Additionally there is a permitted 14x16 pergola constructed with 6" posts and tongue in groove pine with indirect lighting and tile roof that matches the home. The third car garage currently is home to a quality storeroom adding flexibility. This home also has an efficient solar system with Tesla battery backup. WOW
