QR Code Link to This Post The Hollons are scaling down! We have some awesome property and businesses that may serve you well! Check it out:

Town property at 505 S. Ace's Place. One room stucco house, little cabin (used as a store right now), and 3 RV spots ready to go! That's 5 septic hook ups in town center! This is wonderful income property that can make it's own payment and easily pay you a nice monthly wage as well. Take over today for: \$162,000.00

Can it serve you as a business property?

We are also letting Adventure Auto Tours go! Do you want a little business that will keep you busy in the summer and give you a little down time in the winter? This tour/shuttle business comes with a 5 year long permit (3 years left) from the Forest Service, a 14 passenger 1992 Ford Van, a neon advertising sign, a website, a facebook page, and the two 18 foot tipis that we used in our tipi rental business (complete with poles and door flaps)! Screaming deal, drum roll....\$5,800.00

This is a sweet little set up for an existing outfitter or any person ready to spend some time in the mountains and make money having fun!

To buy both the business and the business property you will get a start up deal: \$159,000.00!!

We hope that you will pass this on to anyone that you think may be interested in investing on the Salmon River, ready to live the canyon lifestyle. Here it is. Vision. Set up. We're passing the torch!
