QR Code Link to This Post i have 3 female jack russell puppies. They just opened their eyes. They will get up to about 1 pounds. These pups will be babies when you take them home.NO bad habits, only you to teach it. They will be energetic, smart, easy to train, loyal, protective, loving, an most important your best furriend. They are 300.00.rehoming fee. That is to ensure that after Christmas the fun runs out and its at the pound. This is an all year for many years starting while its a baby til death commitment. These pups should live a very long time. I am taking deposits of 100 to hold the pup til dec. 20th thru 23rd. which ever day is best for you. i will give reciepts for the deposits. These are last 3 females. Thank
