QR Code Link to This Post I currently have a full time opening. Accepting ages 16 months and up. I am a licensed provider. I have a current back ground check on file. I have been working with children for over 25 years. 8 years as a lead preschool teacher and the rest as a childcare provider. I have worked with all ages. I am a licensed, level 1 path to quality provider, and currently working on my CDA. I also worked all 4 years of my high school years working in a co-op program at a childcare. I am educated in early childhood development. I am also a mother of two wonderful boys and love being a mother. It's the best job in the world. My boys are 19 and 15years old. I love my job. I work with the children on a preschool level and use a curriculum. It is structured, but has a at home comfy feeling. I give the children lots of options and let them work at their own pace....with no pressures. I also help with potty training.

During the summer we enjoy sprinkler time, coloring with sidewalk chalk, painting outside, and we have little picnics. They love eating outside
