QR Code Link to This Post At the Law Office of Renee Lazar, our clients appreciate the close communication, practical advice and knowledgeable representation they receive on a divorce, family law, paternity, and alimony reform issues.

We pride ourselves on returning client calls promptly and answering questions in plain and simple language. We also work closely with clients from the start to explain the full range of possibilities open to them.

Believing that everyone should be able to obtain legal services, Ms. Lazar's practice focuses on the needs of people of "modest means" - typically, those whose incomes put pro bono and subsidized legal assistance out of reach, but who also do not have a large budget for legal services.

Whether obtaining a Divorce, or litigating custody, support or other matters in the Family Court, Ms. Lazar brings her passion and tough advocacy to every case she handles.

When you work with the Law Offices of Renee Lazar, you're getting great service at a fair price. I offer as much representation as you need at a rate you can afford. Whatever your legal issue, I can help you solve it.

She represents clients in Middlesex, Worcester, Essex, Suffolk, Plymouth, Franklin, Bristol, and Norfolk Counties.

Call to schedule your FREE initial appointment. My office hours are 9 a.m. to 5 p.m. with evening, weekend and off-site appointments available by arrangement.
