Dear,

I just wanted to write you letting you know how happy I and the condo association is with your work. The roof you put on the two car garage came out beautiful and you and your crew did a professional job, you guys truly know the value in a clean work site.

You guys cleaned the grounds around the garage better than it was when you had arrived. I also wanted to thank you for removing the branches from the trees that were weighing the wires down to the condo building and the branches that the squirrels were using to access the five car garage roof.

Appreciate everything you have done and will be calling with more jobs to be done.

Sincerely
Dennis S
Lawrence, MA
