<p>History</p> <p>The Passkey Paslock System was introduced in mid-1980s. The Passkey I and Passkey II are the systems were introduced shortly after. The Passkey III system was introduced in the late 1980s.</p> <p>Anti-Theft Systems</p> <p>Depending on the model there are various factory and after-market anti-theft systems. We have a lot of concentration on factory-installed systems. These type of anti-theft system is designed to prevent the vehicle from starting unless the correct ignition key is used. We work on most all of them.</p> <p>Dial / Honest, Reliable, Affordable</p>
