Does your family live on a homestead far away from the hustle and bustle of urban life? Do you have a strong connection to the land you live on? Do you consider your family to live a unique outdoor lifestyle? Do you have multiple generations all living together on one property?

If this sounds like your family, or you know of another family like this, then we want to hear from you! A major cable network is now looking to cast a homestead family for a new project!

To be considered, please email us with the following submission and we will be in touch!

Name/Age:

Names/ages of all family members that live together:

Location:

Occupations of working family members:

Email Address:

Contact number:

Brief family bio:
