QR Code Link to This Post Hello,

We are in need of a three bedroom house or apt..

We're a young couple in our 20's with a 7 yr. old boy and a 5 year old girl.

We work in Lisbon Falls and Topsham, my childcare is in Topsham.

Staying in Topsham, Brunswick would work best for us.

Would like all utilities included or at least heat and electric.

We can't afford anything over \$500. if we pay utilities and \$700 if utilities are paid.

Helping with property could be part of rent if needed or available.

Thank you and God
