 Your precious pooches have full run of my home and my fenced in yard.  
 All outdoor time is fully supervised.  
 All of my furniture is pet friendly and pets are encouraged to sleep in our beds.  
 We have comfy pet beds for those pups that prefer to cuddle there.

 We Love Your Pets  
 As Much as You.

At Barks and Breakfast we have over 20 years experience in the Pet Hotel business.  
 We are not a fly by night company.  
 Most of our clients have been with us for years. We are very proud of that.

We only take puppies that are good to accept and behavior and we also take cats that are house trained. We have pad training for your precious pooches much more up to date on ticks and flea. Special requests and needs will be met with a smile.
