I have a 1968 GT 390 convertible 4 speed mustang S-code. True GT car I have the Marty report. It has deluxe interior, ps, positive 3.25 9" rear, and power disc brakes. Rebuilt 390. Car is in the process of being put together. The factory color is blue. Will take 1965 1966 1967 or 1968 project fastback in on trade. If you see ad, then still for sale. Need to sell to free up space for another project. Asking \$23500. Cash money talks. Other than that the price is \$23500. I have all the new.
