QR Code Link to This Post The truck has 168,000 miles. 5.9 v8 2wd hot heat and cold ac miles has been used as a work truck . I drive it everyday , I'm just buying a new truck .I have put new bail joints upper and lower ,both side inner and outer tire rod ends. Truck has play in the steering , could be tightened up. Tires aren't the best. It does have a rip in front seat. Truck is not the prettiest but runs and drives fine . I drive it everyday and have been since April , just a cheap.
