Hello, and good day. The Fall season is a beautiful time of year, with very comfortable temperatures. However those leaves are falling rapidly, and it will be time for cleanups. After my first season cutting grass as a professional, I am taking on FALL CLEANUP. Save your time, your energy and enjoy the season, and let me take on the task! Whether you are looking for multiple maintained cleanups or one big cleanup at seasons end, here is what I can offer:

*SPECIALIZING IN SMALL-MEDIUM SIZE YARDS

*MAJOR STICKS AND LEAVES REMOVED OFF OF YOUR PROPERTY

*BAGGING/MULCHING LEAVES WITH MOWER TO AID IN DEBRIS CLEANUP

*IF NEEDED CUTTING GRASS AT A SLIGHTLY LOW SETTING TO ENSURE CLEANUP, AND LEAVING A FRESH FINISH CUT

While working, you can go about your day as normal. You do not even need to be home. After the work is complete I can leave an invoice for you, to send payment. I accept cash and check. If you have a wooded area, I can dump the debris fairly deep into the woodline. if you have no wooded area I will take debris with me for the appropriate charge. You can give a call anytime, and I will walkthrough your property with a quote left for you. Thank you for taking the time to read this. However you go about your FALL CLEANUP for the season, I wish you the best of luck!
