We have rented a space for our band to practice in Marietta and we don't need it all the time so we are looking to share. We are looking for MAX 3 BANDS ONLY to share our space with us for practice. We will all have our own times to use it (2 hours a week max each / 8 Hours Monthly)

You get use of a few areas

1. Rehearsal Space Big enough for 4 band players to fit into. Has a table for sound equipment and some shared stuff but not much.
2. You get a small area in the space to store your stuff so you can leave it there (Not setup but at least there)
3. A small waiting area for guests. There is a small space in the back where you can have a few guests sit and wait.
4. Vocal Booth Use
5. Small Recording Room for acoustic
6. Plenty of Off street parking

Rent \$250 a month pre paid by the 15th for the next month.

Security Deposit \$500

You get 8 Hours to use in a month and your time slot will be firm. If you don't use it you loose it and other bands will use the space around your slot so it is firm.
