My name is Anny, I have a Home Day care Registered and approved by Department Children and Families in FL which means that I have a clean background record as well as my family members. I have my self 2 kids (6 years and 3 years). We have a daily schedule full of fun and learning activities for your child social, physical and language development. We do arts, dramatic play, coloring, painting, read, outdoor, puzzles, blocks and much more. CPR and First Aid certification through Red Cross and many others certification from childhood development.

Our program is total bilingual (Spanish) and we follow a curriculum with theme of the week/day. This is a smoke free and pet free home and the child space is a shoes free. Why exposed your child to big Day-cares germs and diseases when you can have your child in a small group and individualized care without hurt your pocket? Call now for an interview!!
