QR Code Link to This Post Looking for a drummer and bassist, vocal ability is a plus, to join a pop punk band. Influences doesn't really matter as long as it's in the same vein of music being played. Personal influences are Rufio, Amber Pacific, Lagwagon, State Champs, Knuckle Puck, ADTR, TBS, Brand New, etc.

I play guitar, have studio and show experience. Semi-pro gear, so I ask that you have the same. I also have a female vocalist and guitarist that will be working with me as well. So be good with a female in the band and dual/shared vocal parts.

All I ask is that the time be dedicated, show up for rehearsal, put in the time to practice songs outside of rehearsals and this not be something you want to do for 3-4 mths and then become "too busy". Look forward to hearing from anyone, please reply with:

Samples/Demos or links no matter how rough
Gear List
Yrs playing instrument and studio and/or stage experience
Any questions that you have for
