AUTHORIZED DEALER! Local pickup, cash and all major credit cards accepted. Prices are non-negotiable. No trades.

Alton 20" Clover folding bike. Originally brought over by the manufacturer directly from the Korean market as a prototype bike to spec their current US Market Corsa Clover folding bike. There are only 2 here in the United States, so very unique bikes, both brand new and only available here in our store!

Great little folding bike, especially for the price! Perfect for riders 4'10" to 5'5"! Stop by and take a!
