QR Code Link to This Post Are you scarred, burned, twisted, obese, anorexic, crippled, 90 years old, humped, amputated, distorted in any way? Professional photographer, shooting nudes showing people of all physiques. You will be nude and proud of it. It is easy to find "traditionally" beautiful models but that is not what I am looking for.

The photos will be straight on, unvarnished images looking right into the subjects eyes and souls. You are an equal to all other people and know it, even if your body does not fit the "usual" definition of beauty.

Pay is \$100 for a 2 hour shoot plus one 8 x 10 print from the shoot. You will also be required to sign a model release. Again, you will be fully nude with nothing to hide behind, visually or emotionally.

This is NOT a prurient project.

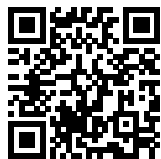

Feel free to look at portraits and personal photos on my web site. <http://www.dpollack.com>

Please send message through craigs list with any information you would like about yourself and your schedule or availability. Include direct email. Studio is handicapped accessible.

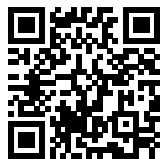

oh, and if you are "traditionally" beautiful, send me a message, I'd love to shoot you.
