QR Code Link to This Post Small cleaning company looking to hire someone who can help build the company. Someone who has management skills and can train and run a crew. Someone who can talk to people and has a professional appearance and is in need of a job. Single mom's or dads are perfect! Must have reliable transportation and MUST BE RELIABLE. Im looking to help someone have a career not just make quick money. When I grow, you grow. Cleaning experience is not required but a plus! Email for more info.!
