QR Code Link to This Post Interested in logging? Interested in using work horses? Interested in building your own home? You've come to the right place!

Our family farm is currently building two barns and a home from the wood on our 75+ acre farm and we'd like your help. We are logging over 500 cedar trees from our property and using our horses to move the logs.

Some activities we will be doing will be felling trees, removing branches from felled trees, burning brush, moving logs with horses, stripping bark from trees. Bring your son, bring a friend, bring a cigar and let's get to work! Our next FARM WORK DAY is:

When: Sunday, January 8, 2017

Time: 8-4pm

RSVP: YES!

What to bring: work gloves, thermal gear, waterproof boots, axe if you have one, chainsaw if you have one

PS: we are looking for 5-10 helpers for this work day
