QR Code Link to This Post Hello out there. I'm looking for work, I'm looking to relocate I currently live in Missouri. I have no ties here, no family whatsoever. I need a change. My work experience is mainly construction, as my trade of being in high end custom home painting. I have no car or license, but I currently have a bus ticket to anywhere in the US. I am 39 years old , male, healthy. I am a hard worker. I am posting this in a lot of cities around the US, in hopes of findong a place to work before I get there. Please email me if you have anything or any questions.

Thanks!

P.S. I actually got a response on this ad telling me to suck a d#@\$, and to quit begging. Really? Does it really sound like I'm begging...?
