QR Code Link to This Post I need a room to rent on a weekly basis. I'm married but unhappy and need a back up plan. We are separating soon. I'm going to need somewhere to go. It's hard starting over. I have a good job and make good money. I work in northern ky and can get picked up for work every day and dropped off. I don't have a truck but can save money fast making 600 or 700 a week. I don't do drugs I'm 35 white construction worker. Laid back and really just need a place to sleep and shower. I'm willing to help with all bills. I'm honest person. If you have any questions please feel free to ask. I can send pics and I have reference if needed. I'm really asking for help. This is hard to do. I'm very humble. I will also help with food or whatever. I would just like a room to myself. Furnished would be nice but not a must.. I can work through that no.
