Located in Chapel Hill, NC, UNC General Administration (UNC System Office) invites applications for the position of Special Assistant to the President. The position will function as a special assistant to the President and provide high-level administrative and logistical support to assist the President in carrying out her daily responsibilities. This includes serving as a focal point on Presidential briefing papers, managing more complex correspondence matters, serving as the President's advance on local and overnight travel, reviewing and finalizing the President's reading and call lists, and otherwise performing a wide range of complex and highly sensitive projects for or on the President's behalf. The position incumbent must be extremely well organized, operate effectively under pressure, be able to deal with constantly changing priorities and schedule, have very strong writing and interpersonal communications skills, maintain a positive professional image at all times, treat confidential and sensitive information with complete discretion, demonstrate outstanding diplomacy and tact, and have significant flexibility with respect to their work schedule.

The Division of Water Resources' mission is to protect the state's water supplies and foster stewardship of this natural resource for use by current and future generations of citizens. The Division comprises five Sections: Water Quality Regional Operations, Water Sciences, Public Water Supply, Water Quality Permitting, and Water Planning. This goal is achieved through providing technical assistance, consultative services, permitting of regulated entities, certification of water treatment plant operators and wastewater operators, inspection and compliance activities, laboratory analysis and testing, and educational outreach and training.

Section information:

The Public Water Supply Section promotes public health by ensuring that safe, potable drinking water is available in adequate quantities to the residents and visitors of North Carolina served by public water systems by ensuring that these systems are properly located, constructed, operated, and maintained.

Description of Work:

This position provides administrative support to 100 staff of the Public Water Supply Section. Staff are located in Raleigh and at the seven regional offices across the state. This position:

- anticipates needs of the Section and takes initiative to fix potential problems before they arise;
 - provides administrative support to the Section relating to travel authorizations and reimbursements, training, state cars, office space, telephones, fixed assets inventory, and surplus property;
 - uses a P-Card for Section purchasing;
 - provides clerical support for the Section Chief and Assistant Section Chief including confidential matters and handling travel;
 - conducts internet research to download fact sheets, summaries, presentations, and rules;
 - drafts responses to public requests for Section Chief's signature;
 - facilitates meetings, including location, negotiating costs, notification to attendees, and distribution of meeting minutes;
 - prepares guidelines and provides training to Section staff on administrative processes;
 - has extensive public contact with Section staff, other division personnel, other state, federal, local agencies, and the general public.
 - develops PowerPoint presentations as well as charts and graphs;
 - maintains Section's Record Retention Schedule, recommends changes when necessary, and ensures that Section files are maintained in accordance with schedule.
- Knowledge, Skills and Abilities / Competencies

**To receive credit for your work history and credentials, you must list the information on the application. Any information omitted from the application, listed under the

text resume section, or on an attachment will not be considered for qualifying credit**

Applicant must meet the minimum Education and Experience requirements and possess the below Knowledge, Skills and Abilities to be considered:

Working knowledge of Microsoft Office software and database applications;

Experience providing impeccable customer service;

Experience working in a fast-paced and demanding environment handling multiple tasks at the same time;

Strong organizational skills;

Demonstrated high level of initiative;

Ability to produce complete and accurate documents;

Ability to communicate effectively in both written and oral format with the public, employees, and members of the regulated community;

Ability to create processes and procedures where none exist;

Ability to assimilate, analyze, and interpret data;

Ability to develop and maintain positive working relationships with co-workers, and other agency personnel;

Experience with administrative and office management functions, such as maintaining office space, purchasing, or travel;

Experience reviewing forms completed by others for completeness and accuracy;

Experience using math skills to verify the accuracy of calculations.

Valid driver's license;

Occasional overnight travel.

In addition to the interview, the successful applicant must complete a one hour skills test to demonstrate competency in Word, Excel, written communication, and document review.

Minimum Education and Experience Requirements

Completion of high school or equivalent and four years of progressively responsible secretarial or clerical/administrative/office management experience; or completion of a two-year secretarial science or business administration program and two years of progressively responsible secretarial or clerical/administrative/office management experience; or completion of a four-year program in a college or university preferably with major emphasis on coursework in business administration, public administration, or other related field; or an equivalent combination of training and experience.

Supplemental and Contact Information

To apply for this position, please click APPLY link above. Resumes are not accepted in lieu of state application. SEE ATTACHED RESUME WILL RESULT IN AN INCOMPLETE APPLICATION. To receive credit, all relevant experience must be included in the work history section of the application. Any information omitted from the application but included in the resume will not be considered for qualifying credit. If multiple applications are submitted to an individual posting, only the most recent application received prior to the posting date will be accepted.

Please upload a copy of college transcripts, if applicable or submit to the address noted below by 5:00 PM on the closing date to be considered. All degrees must be from an appropriately accredited institution.

Persons eligible for veteran's preference must submit a copy of Form DD-214.

The Dept. of Environmental Quality uses the Merit-Based Recruitment and Selection Plan to fill positions subject to the State Personnel Act with the most qualified applicants. When a salary range is posted, the actual salary will be based on relevant competencies, knowledge, skills and abilities, internal equity and budgetary

considerations pertinent to the advertised position. The State of North Carolina is an Equal Employment Opportunity Employer.

Special Notes to Applicants

Please submit a resume and cover letter with your application. These documents will be used to evaluate your written communication skills as well as supporting documents of your knowledge, skills, abilities, education and professional experience.

Please ensure your full range of knowledge, skills, abilities, experience and education are listed on your application. Do not write 'see resume' on your application when completing the job duties section.

If you answer the questions at the end of the application, please ensure your application reflects the knowledge, skills, abilities and experiences to support your answers (see job duties section of previous employment).

Failure to answer the questions at the end of the application will not preclude your application from being considered but may result in your application not receiving full consideration of your knowledge, skills, and abilities.

Posting Specific Questions

Indeed Hire is partnering with Edwards Construction Services, Inc., in hiring a Project Superintendent in Charlotte, NC.

Principal Duties and Responsibilities:

Provide continuous hands on field supervision for all construction operations, including direct supervision of assistants, foremen, craftsmen, subcontractors, and other construction related personnel directing them in the planning, coordination and execution of work on time, within budget, achieving high standards of workmanship, attaining or exceeding profit goals, maintaining a safe work place, promoting and enhancing client relationships in the Company.

Assist the Project Manager with finalization of project schedule.

In coordination with the Project Manager, participate in the review and selection of all subcontractors and vendors during the budget phase.

Provide advice and assistance to Project Manager and Director of Operations on construction matters.

Become thoroughly familiar with the plans, specifications, and contract with owner, subcontractors, purchase orders, daily correspondence, shop drawings and all documents related to the project. Become thoroughly familiar with all building codes and local ordinances. May need to acquire proper literature.

In coordination with the Project Manager, conduct jobsite meetings with subordinates, subcontractors and others as appropriate in order to inform, coordinate and direct the work.

Supervise preparation of job site originated reports and standard company reports.

Ensure timely submittal of all paperwork and regular mail pickup/delivery, as required.

Constantly review field production, analyze, supervise and improve where necessary or possible.

Takes steps to ensure that he/she is always accessible for communication from subcontractors, as well as the main office.

Document and inform the Project Manager in a timely fashion of all delays (subcontractor, weather, Owner, Architect, City, other) changed conditions, changes in the plans and specifications, verbal orders from Architect and Owner. Take immediate action and resolve any such issues. The Superintendent shall immediately inform Project Manager of any cost impact or potential cost impact to Project.

Advise, counsel and assist project personnel on matters concerning construction operations.

Keep the Project Manager fully informed in a timely fashion with regard to any and all problem areas of the project, changes in schedule or deficiencies in work scopes.

Monitor job labor costs daily and weekly.

Inform Corporate Marketing of any unusual or noteworthy aspects or activities on the job which may be used to gain recognition or publicity for Edwards Construction Services,

Maintain contact with owners and clients to ensure their satisfaction with on-going projects and for marketing purposes.

Train and develop assistants in all areas of field supervision. Assist in introduction of new Project Manager.

Lead and direct the job site team and subcontractors.

Cultivate and maintain good relationships with the owner, architect, engineers, subcontractors, suppliers, municipal authorities and Edwards Construction Services, Inc., personnel involved with the project.

Perform or monitor all job site control measures (i.e., daily reports, petty cash reports, labor reports, payroll quantity reporting, accident reports, time sheets, etc.)

Assist Project Manager, as required, with the review, comment and proper coding of invoices. Receive approval from Project Manager of all additional costs to Project before work has been started.

In coordination with the Architect, Owner and Project Manager develop and execute a plan for completing the punch list work items.

In coordination with the Project Manager and the project staff, perform daily and weekly reviews of all job site activities and establish action plans for all short term and long term needs. Determine items of non-conformance establishing a plan of remedy and aggressively review and follow-up until complete.

Assisting to employ or discharge workmen and intermediate supervisors as needed to ensure safe, efficient and timely completion of the work

Continuously inspect the work and provide all hands on direction necessary to achieve high standards of workmanship. Maintain quality control.

Continuously inspect subcontractors for safe work practices. Insist on proper attire and behavior, i.e., hard hats, shirts, long pants. Report all suspicions of alcohol and drug use to Project Manager and General Superintendent.

Scope and limits of authority

Although the Superintendent and Project Manager must function as a team and resolve all problems by working together, the Project Manager shall have ultimate authority over all aspects of the Project with the exception of means and methods, including subcontracting, scheduling, safety, and all matters that impact the cost of the job. Superintendent will have ultimate authority with regard to means and methods, including tasking subcontractor's daily work force. Superintendent will be directed by the Director of Operations on all project related matters and will be directed by the General Superintendent with respect to evaluations, time off, training, adherence to Company Procedures and all other administrative tasks.

Interests/Temperament Demands

Must be highly motivated to achieve Company and personal goals.

Should be a role model and set example for entire field staff and conduct should reflect credit upon individual and Company.

Shall be a leader of people with effective communication skills with high moral and ethical standards.

Education and Experience Requirements

Five years supervisory experience in industrial/commercial construction with direct responsibility for projects of \$1million in value.

OSHA Certification, First Aid and CPR Certification.

High School required. Post secondary training highly encouraged, i.e., blueprint reading, leadership training, college courses, etc.
