

# Audio Technician Needed for Film Production (Greater Boston Area)

hide

Location **Massachusetts**  
<https://www.genclassifieds.com/x-739202-z>

QR Code Link to This Post Looking for an audio technician for a short film production. Experience working on a film production preferred. Being familiar with boom operation and using a Zoom H4N will also be beneficial. For more information please email us! Limited financial compensation is available. Credit, exposure, and networking will be the biggest advantage of this.
