QR Code Link to This Post No experience is fine. We will train you and you will learn some awesome new skills!

Requirements:

Once you have completed your initial orientation and training, you will be assigned to a territory that we will have already investigated that has been affected by the storm. You will meet with home owners to offer a free inspection of their property and educate them on the insurance process and what services we provide. The home owner will sign an agreement permitting Restore Masters to do the work that is needed and covered by their insurance.

- Scout and canvas potential storm damaged areas
- Door-to-Door speaking with home owners
- Complete inspections of roofs and uploading pictures into our application
- Educate home owners of insurance coverage
- Go over contract permitting work and acquire signature.
- Contact with home owner before, during and after completion of job.

Qualification:

- Loves to be outside speaking with people
- Ability to accept rejection and still walk away with a smile
- Self motivated and driven
- Professional and polite
- Ability to learn about insurance coverages/claims

Able to lift extension ladder (about 25 lbs.)
 Must have a valid driver's license and a smartphone
 Construction or roofing experience is helpful, but not necessary.
 Benefits

There is a reason our team loves working with us. In addition to working in an exciting and successful environment, you will have training from the best of the best to increase your confidence. You will speak to some owners known that you are helping them and not just selling them on our quality services that are backed by our team of storm restoration professionals.

We offer a great compensation plan that includes:
 First year earnings of \$50,000- \$80,000 + Cash bonuses monthly and yearly
 Paid Training
