## Requirements:

Once you have completed your initial orientation and training, you will be assigned to a territory that we will have already investigated that has been affected by the storm. You will meet with home owners to offer a free inspection of their property and educate them on the insurance process and what services we provide. The home owner will sign an agreement permitting Restore Masters to do the work that is needed and covered by their insurance.

Scout and canvas potential storm damaged areas

Door-to-Door speaking with home owners

Complete inspections of roofs and uploading pictures into our application

Educate home owners of insurance coverage

Go over contract permitting work and acquire signature.

Contact with home owner before, during and after completion of job.

## Qualification:

Loves to be outside speaking with people

Ability to accept rejection and still walk away with a smile

Self motivated and driven

Professional and polite
