I need a female model. You must be comfortable with your body, light artistic nudity. I will gladly email you a couple of sample photos of my work. If you are interested in starting a portfolio or expand your existing one. You will receive a digital copy of all completed work. I would like to find someone to build a great business relationship with so we can hopefully do more than one shoot. First shoot is typically TFP and future work could be paid. No experience is needed. Please reply with a couple photos of yourself.
