QR Code Link to This Post I have over 25 years of experience as a New York attorney, including working at a large firm and now as a solo practitioner. I can provide references from other attorneys I have worked for on a contract basis.

I can handle any stage of any civil case (in either state or federal court), from pleadings, discovery, motion practice and the trial. I can also handle any appeal from preparing the record, writing the brief(s), motion practice and arguing the appeal.

Please contact me to discuss either my hourly rate or a flat fee arrangement.

I also accept referrals for meritorious cases -- landlord and tenant (tenant side only), personal injury or medical malpractice -- that need to be litigated.

Referral fee negotiable. Please respond with your firm name and contact information, so that I know I am dealing with a.
