QR Code Link to This Post Lily 10 months lab mix is such a sweetheart!!!

She was rescued w her siblings in Egypt & they were sent here to a shelter. She was adopted but the owners said they don't have time to train a puppy :(they already have 2 dogs which she loved!

So Lily needs a new start, please we don't want her to go back to a shelter.

More info message me

References and home check are needed!

She gets along w other animals just needs training.
