QR Code Link to This Post Our Private poker game meets three times a week in an upscale residence. Stakes range from 1-3 NL to 5-10 NL, Omaha hi-lo and PLO are also played on occasions. We welcome new players, but be prepared for a screening and interview process. We are looking for working professionals that like to play for several hours at a time, not 2hr hit n run players. We have a low rake and want to protect our regular players. We have one of the best games in town, usually plays for 12+hrs. You can respond to this posting with either your cell phone # and/or your email address and facebook page, and it would be good to let me know a little about you (work, how much you play, etc)
