QR Code Link to This Post Posting for a friend. Looking to rehome a 5 month old, mixed breed (Huskey, Red Heeler cross) puppy. She is sweet, energetic, and smart, she has very good manners (for a puppy). She gets along well with other dogs (might be too energetic for tiny dogs), and loves people of all ages, especially children. A farm is perfect for her, or a home with a big, fenced yard. She would not like living in an apartment. Rehoming fee is \$75, and a vet reference is a plus. Willing to meet part way for the gas.
