Bridging the gap between artists and collectors

As an artist, I have found myself struggling to find the right place to showcase my artwork. I know firsthand how truly frustrating it can be to not have any gallery representation and only have the opportunity to show in restaurants, coffee shops, and other venues that are not designed for the ambiance that pieces of art need to be fully appreciated.

For that reason, I created White Cloud Pop-Up Art Space. In this space, walls, ceiling and floors are united in harmony by the purest white color. Combined with a generous amount of natural light, there is a clean, simple background to truly let your work stand out.

White Cloud is conveniently located in the heart of the U Street corridor, only 2 blocks from the U Street metro and within walking distance to some of DC's most popular restaurants and coffee shops. All day and night, potential clients are just footsteps from the gallery.

In addition, White Cloud provides this amenities:
