QR Code Link to This Post We are living in amazing times. At 60 years of age, I have the benefit of hindsight. I've been watching Hillary since 1971 (ironically, near the release of "Dark Side of The Moon"! ) and I am shocked at the number \*\*\*things\*\*\* she appears to have gotten away with! It's a real testimony to the lack of character of the democratic party that they would lower their standards so far as to be justify the presence of Hillary Clinton as a presidential candidate! If not for SOCIAL MEDIA this horrible woman would have continued to escape justice! However, with what the FBI already have, this video is prophetic laying out the future for Hillary's journey to prison.
