Welcome home to Aspira Seattle
 This is a 1034 Sq. Ft., 1 Bedroom, 1.5 Bath, Apartment Home.

Welcome to Aspira Seattle Apartment Homes, Seattle's finest in high-rise living. Aspira was built with you in mind, focusing on creating a community atmosphere with the lowest impact possible on our environment. Aspira is Seattle's first 4 Star Built Green high-rise, built to help protect our beautiful Pacific Northwest environment. For more information about the Built Green Company and Program, please visit www.builtgreen.net. At Aspira, Seattle is truly at your fingertips. With a 99% walk score, from walkscore.com, you never have to venture far from home to enjoy everything that urban living has to offer. In case you do need to venture farther from home, Aspira also has a 100% transit score! You can also enjoy the benefits of Sola Salon, or a glass of wine, appetizers or a full meal at La Lot Restaurant & Bar, both in our retail space below. Our pet friendly apartment homes offer very spacious floor plans with every convenience imaginable. Every home features unmatched views which can include Elliott Bay, the Space Needle, the Cascade and Olympic mountain ranges, Mt. Rainier, Mt. Baker, Lake Union and so much more. We have over 17,000 sq. ft. of amenity space; which includes our Yoga Studio, State-of-the-art fitness center, Party Lounge, Theater Lounge, Outdoor Terrace with fire pit and grills, two pet decks, business center and conference room, all open 24 hours. We host many community events which are designed to pamper each and every person living here. Though we have a variety of amenities there, availability is limited.
