QR Code Link to This Post Hello everyone, French mastiff pups due November 5th.

Beautiful full blooded male and female on site.

If you know anything about French Mastiffs you probably wanted one before. This is your opportunity. Don't miss out!

Rehoming fee will apply. The puppies will require a lot of care. The rehoming fee is to help take care of them until they go to their forever home. Great family dogs! One of the only big breed dogs that is good in small places but they love to run in the park.

They love to cuddle :)

To add I also train dogs.

Now taking deposits to claim your pup.

Serious inquiries only please

We are located in downtown San.
