QR Code Link to This Post If you like deer hunting, or for that matter, if you want to have a home in the Sunbelt, this land is perfect. It sits atop the highest point on Pine Mountain Ridge, near the Flint River and Warm Springs.

It has two wells plus a stub out for county water in addition to two year-around spring-fed creeks, and a pond. It can be developed into smaller parcels or enjoyed as a whole. The views from the top are spectacular, and there is always a gentle breeze blowing over the ridge. Eagles use the ridge to soar above.

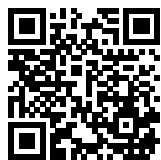

I am interested in grazing land in Western South Dakota. I am willing to add cash for the right property. I want to have a bison herd, so fencing would be nice, water is required.

Please send details and location by email so that I can look at your property on an aerial.

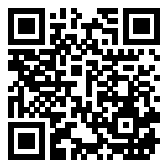

Thanks for.
